

VISA ON ARRIVAL

Surinamese passport holders can obtain Visa On Arrival (VOA) upon arrival in Indonesia.

VOA is valid for a maximum of 30 days of stay starting on the first day of arrival regardless the time of arrival. VOA is issued at the discretion of the Immigration Officer at the point of arrival.

VOA can be extended for another 30 days subject to the eligibility of sponsorship of the traveler's stay in Indonesia. To do so, travelers are advised to contact the nearest local Immigration Office in Indonesia.

If you are not sure or do not have any sponsor in Indonesia for the purpose of VOA extension or if you are a holder of temporary/emergency passport or other travel documents (non-national passports), you are strongly advised to apply for a single entry visa in advance prior leaving Suriname.

VOA cannot be converted to any other type of visa or stay permit in Indonesia.

VOA Requirements

- Original passports valid for at least 6 (six) months upon the date of entry to Indonesia (holders of temporary/emergency passports or other travel documents are not eligible to apply for a VOA)
- Return ticket or onward passage ticket
- Visa fee (US\$ 35)
