About IISMA

Indonesian International Student Mobility Awards (IISMA) is a scholarship scheme by the Government of the Republic of Indonesia to fund Indonesian students for mobility programs at top universities and reputable industries overseas. IISMA covers two schemes for **both undergraduate and vocational students**. With IISMA, they can spend one semester at prominent partner institutions. For undergraduate students, this program equips them with the skills required for the future workforce: sense-making, social intelligence, novel & adaptive thinking, cross-cultural competency, computational thinking, new-media literacy, transdisciplinarity, design mindset, cognitive load management, and virtual collaboration. For vocational students, this program offers learning in collaboration with industry where they will undertake practical assignments to enhance their skills. Overall, IISMA will expose Indonesian students to international academic and cultural diversity. The scheme is centrally managed by the Ministry of Education, Culture, Research, and Technology (MoECRT).
